PROFESSIONAL EXPERIENCE

Founder's Office – Marketing Analytics intern , Swiss Beauty *Feb'26 - July'26*

- **Directed** influencer data intelligence across **18,000+ micro, macro & mega creators**, analysing reach and CPV to identify high-performing profiles and drive **data-backed creator planning and consumer insights**.
- **Executed** end-to-end campaign management for **50 creators in 1 month**, covering recruitment, onboarding, commercials, deliverables, scripting, go-live planning, execution and invoicing; partnered with IT and Founder to **automate creator onboarding**.
- **Architected** influencer data workflows by cleaning, structuring and consolidating creator datasets, establishing a scalable framework for **creator selection, campaign planning and marketing operations**
- **Monitored** Instagram trends, Blinkit/e-commerce responses and competitor activity, translating **market intelligence and competitive analysis** into actionable insights for the Founder and cross-functional Brand, Social & NPD initiatives.

Affiliate Operations intern (US Market) – Bella Vita *April'26*

- In a month-long industry project with Bella Vita, directed **end-to-end affiliate marketing** for **TikTok Shop US**, managing a high-volume outreach funnel with **20,000+ creator** invites to date; streamlining global sample logistics and **leveraging performance metrics (GMV, CPC)** to optimize creator partnerships and brand penetration in the US market

Growth Marketing intern , Shiprocket *Oct'25 - Feb'26*

- **Led growth marketing initiatives** for Shiprocket Hack book, developing **7+ funnel-focused video campaigns** around COD RTO, AOV optimization, anonymous-user identification and checkout friction, generating **120K+ cumulative reach and 8–10% engagement**.
- **Analysed seller-journey conversion bottlenecks** across COD RTO, checkout drop-offs, low AOV and anonymous traffic, translating **user insights into growth experiments and product-led messaging** that contributed to **500+ seller conversions** for Shiprocket Shivir.
- **Mapped user journeys and conducted market & competitor analysis** to identify growth opportunities, collaborating with Design, CRM, Analytics and external agencies to support **funnel optimization, CAC-aware growth marketing and data-driven brand storytelling**.

PROJECTS & INITIATIVES

- **Spotify Business Intelligence Project** – Conducted EDA on audio features using Python; identified patterns and correlations through R to derive data-driven insights and business recommendation.
- **Strategic Market Expansion** (Urban Company) - Executed a high-intensity 2-week expansion project for North Eastern partners, successfully facilitating the strategic migration of 100+ service partners from 'Classic' to 'Prime' and 'Luxe' tiers; enhanced regional service premiumization and increased high-value segment availability by 20%
- **Shiprocket Shivir 2025** (India's Biggest AI Commerce Edition, Bengaluru) - Supported end-to-end event marketing, driving buzz around the event on various social handles like Instagram and YouTube via Handling back-end activities , idea generation and scripts writing.
- **Apex Spark Business Case Competition** (IIT Roorkee 2025)– **Executed** an industry survey and **analysed retail inventory management practices** to assess ERP adoption trends, identify key inefficiencies including stock discrepancies (82.76%) and low automation adoption (32.76%), and develop **data-driven recommendations and market-entry strategies** for ERP solutions targeting small and mid-sized retailers, presenting findings through an analytical report and PowerPoint presentation.

CERTIFICATIONS

- **Excel Skills for business (intermediate 1) -** Certified in Excel, including data analysis, spreadsheet management, formulas and functions, data visualization, charts, and data organization for business decision-making.
- **BCG – introduction to strategy and consulting –** Certified in Business analysis, strategic thinking and consulting.

POSITIONS OF RESPONSIBILITY

Placement Coordinator, DTU - Facilitated the placement process for **50+ students**, achieving a **20% increase in placement rate** by partnering with **10+** reputed organizations. Maintained relationships with **20+** industry professionals to align placement strategies with current market trends.
